## GRAPE VARIETIES

Touriga Nacional, Touriga Franca, Cabernet Sauvignon

## SOIL TYPE

Sandy

## WINEMAKING

Hand picked and selected grapes from our oldest vineyards; destemming, maceration and fermentation in mechanical “lagares” with temperature control, malolactic fermentation, matured in 80% French and 20% American oak barrels and filtration.

## ANALYSIS

Alcohol: 15,2%  
Total Acidity: 7,15 g/l  
pH: 3,47  
Total Sugar: 0,6 g/l

## SERVING SUGGESTIONS

Temperature: 17°C / 63°F  
Gastronomy: cheese, red meat  
Longevity: drink now and through the end of 2037

## TASTING NOTES

Intense red garnet color. Rich, complex, with fresh notes of laurel and eucalyptus, some plum and blackberry and light toast and vanilla from the aging in barrels. The mouth is fresh, with pretty good acidity, good balance, great concentration and ripe tannic structure. Long finish
